**Food! Fun! Crafts! Music!** missions...this is often how children feel about mission time.

It all seems so far away and difficult to relate, but ARM introduces them to a mission field in their own back yard! Brother Joe tells a story a day from his experiences as a missionary and prison evangelist, showing them the many opportunities they have to make a difference wherever they are.

### WHAT YOU GET:

- **A 5-part VHS/DVD (please indicate which)**, 10 minutes daily. From "A Drug Dealer's Prayer" to "The Christian and the Cannibal", these stories bring out lessons on forgiveness, compassion and boldness.
- **Teacher's Guide to "Question & Answer Break."** Kids will have plenty to say after seeing the video. This will provide 5-10 minutes of effective discussion time.

- **"Jail-House Joe" tokens.** Each token has room at the bottom for the child's name. Every \$3 represents one more prisoner who will receive a Bible from ARM.
- **Mission Goal.** ARM has designed a mission goal sheet to help kids commit to reaching their friends for Christ. Using specific prompts, the kids will write out their "goal" and seal it with a "Jail-House Joe" token. These are sent home with the children so they can remember their mission long after VBS has ended.
